BLACKBURN COTAH

Hey, here's a good one! Flash is a 4 year old buckskin gelding and stands at 15.1 hands. He is the children's #1 favorite in the barn with his laid back personality that they feel comfortable to ride alone. Flash has even been to a school pet day and has enjoyed giving children rides and the attention the children gave him. Flash is a great horse out on the trails, takes whatever terrain you give him, crossing logs, water and is quiet riding along the traffic. Flash has even been used for tracking deer and shed hunting. He enjoys going out on the trails alone or in a group it doesn't matter to him. Flash has been started on the heading side, has been on the heel-o-matic for over a

year and is started on calves. Flash is that broke horse that can be ridden bareback, double, bridleless and moves of leg pressure. Flash is parade ready and with his golden coat you definitely draw eyes! He doesn't blink a eye with pistols, bullwhips or carrying the flag. 100% sound and gentle. He's a babysitter, a flashy one at that! For more information contact Drew 608-739-1406.
