Description

LECTRAS LIL GUN

They say a picture is worth a thousand words...how about his picture! Winchester is a super gentle palomino gelding that loves people and attention. He stands 14.3 with excellent foot and bone underneath him. He is the first to meet you every morning and is ready to go. His sire is an AQHA point earner as well as an NRHA money earner. Winchester has a beautiful way of moving with an good ground covering walk and an excellent extended trot. We have ridden him countless miles down the trail and he is not bothered by wildlife or bicycles. We have gathered, sorted, and doctored cattle on

him and he's always happy and pleasant when called upon. Winchester stands great for the farrier, loves baths, and pretty much and kind of attention you want to give him. Whether your looking for a family horse that's safe, or your next trail partner or show horse, do yourself a favor and don't overlook this one! Contact Shane @ (940)765-7177 with any questions.
