Description

Tiny Tim

Tiny Tim what a mule! He's kind, wants to be your friend, easy to ride up the trail. He's 14.2 hands, will go everywhere you ask without any issues. Rides alone or in the line with no problem. He's one that will lead out the rides or if you like solo rides Tim is good to go whenever you want. He's a sweetheart, loves attention. He'll lay down for ya, take naps next to ya, no spook, rides around with a good handle. He looks good in the arena loping circles and has a nice stop. Tim has been used for ranch work, cow work and can be roped off of. He's a good one! One of a kind that will take care of his

rider no matter who they are. Shoes, stands good, stands alone, hauls, trailers easy to handle with great ground manners. Very respectful- been in good hands his whole life. FMI call Joe at 801-361-6772
