Description

Badger

A super broke young gelding ready for the career of your choosing! "Badger" is a 4 year old 15.2 hand buckskin gelding. If his color doesn't turn heads- his training will! This guy is true one hand broke, he is the definition of "fancy" with lots of buttons & cool moves. He is soft, supple and rides very correct. He was started in great hands who have molded him into a confident & willing equine partner. If you can hold the reins you can ride him, he is dog gentle. Badger has dabbled in a bit of everything from day working on the ranch to ponying racehorses at the track to leisurely Sunday trail rides. He crosses water, carries flapping tarps & conquers any intimidating obstacles thrown his way. The future is bright for this handsome gelding, he could go ANY

direction- the sky is the limit! No bad habits. He is an absolute gentleman for the farrier, stands to be saddled/mounted & enjoys baths! Badger is sound, sane & UTD on all routine care.
