NICK

Nick is an exceptional ranch horse! He has also been to town to ranch rodeos, team ropings and has been to many horse ropings including the Jordan Valley Big Loop several times. He is broke straight up in the bridle is soft and supple. Very cowy great to sort on. Has branded thousands of calves stays quiet and is safe. Will rope both ends in the arena. Has won money heeling. Not many horses as broke as Nick anywhere, he's a good one. Will show in the ranch horse class and roping.
