Moonshine

Moonshine is a dream horse. Extremely trained in the arena, on the trails, on the ranch, for kids, and to drive. He has been in weddings and in parades. He is always a true gentleman. He's the one you want too catch and mess with everyday. He will put a smile on your face with his amazing disposition and willing demeanor. Moonshine has seen lots of trail miles in many different types of terrain from the Arizona dessert to the mountains of Idaho. He will cross obstacles of any kind out on the trail, great crossing water and over logs as well as steep rocky terrain. Moonshine is a dream to drive. Anyone can drive him, great down busy streets or country roads he is so fun.

100% kid safe our kids love him they both ride him here on our ranch and get along great with moonshine. Super uncomplicated horse that will allow you too turn him out for long periods of time and come back the same broke horse. Moonshine is the coolest in the spotlight he loves the rodeos he's been used in as a grand entry horse packing the greatest flag on earth. Always stays calm and confident. If you are looking for a real life unicorn, moonshine is just that! Please call Megan with any questions at 541-263-1479..
