**Description**

IM CHEXY N HOLLYWOOD

10 Yr old Registered Appendix AQHA gelding, This guy stands at 16.1 hands and will stand next to anything to help you get on! He is gentle, good to shoe, load, clip, but a little busy when he is tied. Big Black feet and great bone. He definitely got all the great traits of the Quarter Horse Breed and the Thoroughbred. He will meet you at the

gate and ride alone or with a group. Hollywood will catch eyes wherever he goes! Ride him in the arena or on the trail. Owner is only selling because she has not enough time to use this gelding and he is too good to let sit! NO buck, kick or bite Take him for a test ride before the sale.
