LP SMOKY IS BAE

Chocolate chip is a 5 year old AQHA Registered Gelding. He stands 14.2 hands and 1100 pounds! Beautiful black summer coat, brownish black winter coat. He has a flashy mane, forelock and tail. He is put together with excellent conformation, short back and nice hip, built stout. Good black feet and bone, straight legs. He has a good disposition. Chocolate Chip is no stranger to the mountains, crosses creeks, logs and travels nice! He's been hauled in a stock trailer with 5-6 other horses, no problems. He has a nice stop on him, lopes a circle, neck reins and side-passes. Use your choice of bit on him. He's been ridden on the asphalt with cars passing, no issues. We've ridden him in and out of cattle. He's good to swing a rope off of
