**GUNNA B SPECIAL**

Oh my! Isn't he pretty? Skittles is a one of a kind, finished gelding that you don't see everyday! Class ,color, size, ability, and training, all in one package! He is a 2013 gelding that stands 15 hands tall and weighs 1,150 lbs. Skittles has been there - done that, from reining, trail riding, to ranch work, we have done it all on him. He's the ideal all around horse that is safe for the entire family. Skittles has had a very successful show history as he himself has won 20,000 in NRHA. He knows all the maneuvers and does them with excellence! He is very smart and knows when a kid is on him and will take care of them all the way, and go slow, yet he knows when a pro rider is on him to perform at his top abilities! Skittles is fun to have in the barn. He will meet you with a nicker from his stall when you walk in! He's got awesome ground manners and is safe around kids and dogs. He's great to haul and loads perfectly. He's good to shoe, clip,

bathe, tie, etc. He is a great mover, very smooth to ride, and super easy to ride one handed. You can take him and win in the show pen and then go for a trail ride the next day! Skittles has a great steady walk and will cross mud, water, logs, etc. Skittles has also been shown in ranch riding and does very well. He's got a super extended trot and transitions. He is 100% safe, solid, and sound, with no health issues and has no vices. He's broke and will stay that way no matter if he is ridden every day or every week. We have put him through a lot of tests and under tight pressure situations and he handles it great! We will stand behind him all the way - in every way! Skittles is an own son of GUNNERS SPECIAL NITE whom is a money earner of 235,000 in the NRHA and a grandson of the great GUNNER a \$173,000 NRHA money earner! On the bottom side he's out of WHIZ LADY DUNIT whom goes back to TOPSAIL WHIZ. TOPSAIL WHIZ has achieved an Equi-Stat sire record of more than \$12.4 million. That amount includes any monies won in the NRHA, National Cutting Horse Association, National Reined Cow Horse Association. So not only does Skittles have the color, class, and willingness. He also has the pedigree! Don't miss out on this once in a lifetime, fun horse! Check out his video and feel free to give us a call or text with any other questions at 330-231-2311.
