Description

BUCKEYES TUCKER

Sometimes in life a special horse comes into your program and BUCKEYES TUCKER just happens to be one of those horses. He is out of a Spotted Draft stallion and a Quarter Horse mare. He is a 2013, 15.2 hand draft cross gelding. If a dream horse is what you are looking for, then he just maybe your guy. He really has one of the sweetest most kind personalities around. He can be ridden English or Western and has a fantastic neck rein. No matter who we have put on his back, he has taken care of them. Tucker has been on numerous trail rides and overnight trips. Stood tied to a picket line or a trailer and he never makes a noise or messes with the other horses. He has awesome ground manners and will stand tied quietly no matter where you tie him. He has been out with lots of different horses and never tires to be the boss horse. In the stall he does not have any bad habits and you never hear anything from him at feeding time.

Tucker will hop into any trailer and haul quietly down the road. He is a horse that no matter how little or how often you ride him he is always the same when you get him out. He knows his leads and moves great off your seat and leg pressure. His gaits are extra smooth making it easy to take him long trail rides without worrying you will get too sore. Tucker will go through water, over bridges, and a gem in heavy traffic. Tucker is also a very fun and easy going driving horse too!! He will go down the road at a nice steady pace and is great for the first time driver. There is nothing that excites this boy and we feel that Tucker would fit into almost any program. If you would like to learn more about him, please give Duane Yoder of Buckeye Acre Farm a call at 330-231-2324.
