CAT XCELLENT

CAT XCELLENT - Boulder - will be a sale highlight! When I say sale highlight I mean it! He has won over \$40,000 in the NCHA. Boulder is a proven and seasoned head horse that works with style and class. He scores perfectly, runs hard, has a great move and finishes fast! We have hauled him to World Series ropings and numerous jackpots from the 15s down all in the same day! We have also won numerous ranch rodeos riding him! Boulder is a premier ranch horse and a highly valued kid horse. We honestly have never found anything that Boulder doesn't excel at. His resume speaks for itself! Boulder is

eloquent and will catch anyone's eye! We can turn kids of any level loose on him and never worry. He is also a great horse for trail riding, ranch horse competitions, ranch versatility and anything else you want to do on him! The sky is the limit! Boulder is an own son of the leading stallion METALLIC CAT. METALLIC CAT needs no introduction. He has lifetime earnings of \$637,711 and is a producer of \$34 Million. With a Futurity Championship, Horse of the Year title, and an induction into the NCHA Hall of Fame, it's not hard to understand why METALLIC CAT is the second highest money-earning stallion in the history of NCHA. Boulder is out of HEY GREGORY GIRL who has a lifetime earnings of \$132,000. Boulder comes from a long line of winners and he is no exception! Please watch his video and we will let it do the talking for him! We highly encourage you to come try him before the sale! Please call us anytime! 940-268-6850
