Description

LITTLE KITTY GUNSMOKE

Check out this doll! Shazam is one cute mare and has a personality that you'll fall in love with. She's 4 years old, 14.2 and solid as they come. Absolutely no vices. She gets along with anyone and nothing phases her. If you can get on a horse, you can handle this one. Shazam loves to please and is honest as the day is long. She's great on the trail and rides around the farm no problem. Drag a tarp, log or barrel behind her, she won't mind. She's fabulous on the obstacle course and is great at navigating over bridges, logs and tires. She's happiest just taking it easy and enjoying the scenery. She knows her leads and has a great handle on her. Super smooth, easy and easy to ride! Open gates with her, ride through water, or sidepass over a barrel and impress your friends! She'll also lie down on cue. If you ever had the desire to spin a horse

backwards, now's your chance! If you want to ride bareback, she's ready for all the sunset strolls. Ride her the way you like, she's happy to let you lead. Shazam is husband safe, kid safe and grandma safe, and will sidepass over to the mounting block with a snap of your fingers. We love her kind disposition, huge personality, and solid mind! Everywhere she goes, people notice her friendly demeanor and that beautiful blue eye she's got! She's been hauled and ridden around at rodeos, schooling shows, and trails. Shazam is the perfect, unique, fun horse you've been searching for! She's 100% sound and ready to take you on your next adventure. Please contact Sid Zacharias at 715-416-1502 for more information.
