Description

MYWHIZKEY NOTYURS

Lazy KT Performance Horses proudly presents this outstanding young athlete, MY WHIZKEY NOT YURS, a double registered AQHA/APHA gelding who we fondly refer to as Mick. With his athletic ability, gentle mind, and stunning build, Mick is the type of horse everyone wants in their barn but isn't always lucky enough to find. At three years old, Mick stands at 15.1hh, weighs 1100lbs and wears a size 1 shoe. Mick has seen and done more things and crossed more diverse terrain than most horses do in a lifetime and he handles it all with class. He is the go-to horse for any activity on the ranch; dragging calves to the fire in the branding trap, doctoring cows out in the sagebrush sea, moving pairs, and anything else you could ask of him. Mick is sure footed in any terrain, with his rider's safety his #1 priority; he crosses rivers, swims in the ocean, goes over any fallen tree, and climbs up and down even the steepest of

cliffs. Tarps, dogs, loud gunfire, flags, and other scary things don't phase Mick in the slightest. Mick has a gentle mind and is friendly for riders of any skill level, from a first time rider to a world champion trainer. Mick also stands out in the arena. He is a beautiful mover with a fancy reiner handle and all the buttons that you would expect from a top quality horse. He is currently being successfully shown in the Stock Horse of Texas cow horse shows in the reining, ranch pleasure, ranch trail, and cow work events. Mick also has a great start in the heading, heeling, and breakaway roping. He is ready to be seasoned in the breakaway roping and has the fundamentals down in the heading and heeling to be a top prospect for the team roping futurities next year. The opportunities are endless with this gelding. He rides great in any set up, a snaffle bit, bosal, the bridle, or even bridleless, you choose! Mick has outstanding pedigree—he was born to be a legend. He is by NRHA Hall of Famer and million dollar sire, WHIZKEY N DIAMONDS, a diverse sire producing \$1,700,000+ million in the reining, reined cowhorse, and roping pens with this number growing every day. Mick also has an excellent maternal line. His mother, YURS N MINE, is an NRHA earner by \$12,000,000 sire, COLONELS SMOKING GUN, out of the incredible DOCS SULENA, NRHA earner and producer of \$480,000+ in the Reined Cowhorse and Reining arenas. In addition to being double registered through the AQHA and the APHA, Mick is enrolled in the NRHA and NRBC. We have faith that Mick will be one to remember and are proud to offer him to the public. For more information call, text, or email Katie Houck with Lazy KT Performance Horses at (360)969-9443 or lazyktperformancehorses@gmail.com.
