**Email** kdg20@hotmail.com

**Description**

**LITTLEPEPPYSKIPABEAT**

Peppy is an absolutely gorgeous 2017 gelding that is built like one should be: athletic, talented, and is bred to be a true cow horse. Peppy stands at 14.1 hands and you can do anything you want to do horseback on Peppy. He cuts, reins, ropes and has been used all over our ranch. Peppy was shown at the 2020 NRCHA Open Snaffle Bit Futurity, multiple Versatility Ranch Horse shows, and Stock Horse of Texas shows in the open and novice youth divisions. He is a money and point earner. He's extremely cowy with a big stop and very accurate on a cow. He runs a super easy reining pattern with good lead changes and has fast spins. Peppy is also great to rope on; he's good in the box, leaves flat, and can really run with great rate and timing. Peppy will be a great Roping Futurity contender, or work in break away or calf horse. Peppy works the rope; he is strong from the horn and has big stops for his size. Peppy has been ridden many

miles on trails in the mountains, crossing rivers, bridges, and crossing logs. He has been ridden in Wyoming, Texas, New Mexico, Colorado, and Oklahoma trails and is good for any mountain trail. Peppy will be fun for any level of competitor to go show in the cow horse events, cutting horse and versatility shows or will be your go to ranch horse. LITTLEPEPPYSKIPABEAT (2017) out of LITTLE PEPPY N COLOR (2010) by MISTARI TE (2005), Owned and Bred by Cindy Warner, Wynnewood, OK. For more information you may call/text Trainer, Ricky Piggott, 405-444-4205 or email at rickypiggott17@gmail.com.
