Description

CAN'T TINKER WITH ME

CAN'T TINKER WITH ME, fondly known around the barn as Red Man is a 4 year old, sorrel AQHA gelding. Red stands a stocky 14.2 hands. He is sired by TINKER WITH GUNS who has \$344,188 NRHA earnings which makes him the highest earning son of the well known stallion COLONELS SMOKING GUN(Gunner). His damsire is MERADA'S MONEY TALKS who is a \$2 million dollar NCHA sire with over \$40,000 LTE himself. Red Man himself is as talented as he is good looking. He has had two years of professional reining training. He has three exceptional gaits that are smooth and easy to ride. Both his jog and lope extended nicely. Red lopes excellent circles and really has a nice definition between his fast and slow circles. His flying lead changes are smooth and effortless. He is a big stopper and has correct spins. Red has been shown in numerous ranch horse shows. He is registered with the ARHA and has earned points in several

different classes. He is easily noticed in the ranch pleasure classes with his gorgeous and consistent gaits and profile. He also excels in the pattern classes such as trail, ranch riding, horsemanship, and reining. He is precise and correct in all movements. To continue adding to his resume, Red will watch a cow and enjoys working them in the cattle classes. Red Man is amateur and youth friendly and has been shown both professionally and by an amateur. He trail rides, is traffic safe, and has been in the streets of downtown Ft. Worth. He travels well to new places and always settles right in. He has nice manners, stands excellent for bathing, clipping, farrier, and vet. The opportunities are endless for this talented, young gelding. For more information, contact Jonathon Waugh at 606-748-9721 or Sammi Waugh at 704-798-5497.
