**Description**

TOOHEYS

If you're looking for a horse that will do whatever you need him to do every single day and have incredible style while doing it, TOOHEYS is the horse for you! Very soft and broke to your feet, this guy can take you to the championships in the cutting pen or straight out of the box! TOOHEYS was bred and raised in Weatherford Texas with LTE's of \$3,260. By the great cutting sire SMOOTH AS A CAT who as of July 2021, has sired offspring earnings in excess of \$31.7 MILLION. TOOHEYS went immediately into cutting horse training as a 2 yr old and into his 3 yr old year to prepare for the 2020 NCHA Futurity. After showing in the Open class at the futurity in 2021 TOOHEYS went on to make the 4 year old Open finals at the Abilene Spectacular in Abilene, Texas. As a 4 year old he has been in rope horse training with Brett McDowell in preparation for

the 2021 World Championship Rope Horse Futurity. He will be showing in the Open Heeling. He has excelled in the heeling position since his training started. He has a huge stop and with the amount of cutting horse training that he has had, he has more style than most. He is an incredible athlete, very gentle and willing to learn everyday. TOOHEYS has never bucked nor has he ever has any soundness issues throughout his cutting/roping career. Anyone can ride TOOHEYS from youth to amateur, all the way to an open competition in two different disciplines! This horse will do whatever you need him to do every single day. It's rare to find a horse that loves his job as much as TOOHEYS. For more information please call Brandon Underwood at 405-665-2682.
