Description

QUIXOTE FANCY FEET

Jasper is a 2013 AQHA Grullo Gelding. His registered name is QUIXOTE FANCY FEET and his name says it all! Jaspers feet are fancy and he knows how to use them. This 15.2H, 1200lb decadent grullo gelding has a remarkable resume that is worth the read. First and foremost, he is kind and gentle. Jasper is our two year old little girls best friend. He meets her at the gate in the mornings and waits to bury his perfectly shaped head in her chest. While Jasper is safe and gentle, he by no means lacks any sort of talent. We have used this gelding in the mountains, on the trails, and in the arena. He is a finished ranch horse and would be an excellent candidate for anyone wanting to compete in ranch versatility shows. This gelding has a smooth lope and picks up both leads with ease. He has attended ranch rodeos, been used at head and heel brandings, snag and drag brandings, doctoring, sorting, shipping, trailer loading, etc. If you are a

competitive team roper Jasper fits the bill there too. We have hauled this gelding on both the head and heel side to World Series sanctioned roping's. He falls to cattle and will hunt the corner. If competition is not your forte and a leisurely trail ride suits you better, he will be nothing short of amazing in that discipline as well. Jasper has a ground covering walk and has no hesitation with any kind of encounter. Water, bridges, downfall, rock, sage brush, marsh, this gelding is well versed on the trail. When we have visitors come to our place this is the go to gelding for everyone to ride. Uniquely bred, with SNIPPER MUSIC on his papers twice, Jasper lives up to the SNIPPER MUSIC reputation of being smart, athletic, and having the ability to do everything well. SNIPPER MUSIC set the bar in the foundation quarter horse industry, and in his prime was a 1985 reined cow horse snaffle bit futurity winner. Last, but not least, one of Jasper's best attributes is the ability to stay gentle with time off, whether you ride once a week, once a month, or once a year. This is a superb gelding, he packs our brand, and we are proud to offer him. For more information please call 208-756-7341 or 208-993-1422.
