Description

YELLOW FLAME

If you are looking for the best of all worlds, look no further! Yellow Flame has it all. Gentle, athletic, cowy, beautiful, did I mention gentle, are just a few of the adjectives I can think of to describe him. Flame is a uniquely colored, hard to find, roan palomino standing at 15.3 hands. But don't let his size fool you! Being a great grandson of BUGS ALIVE IN 75, an All American Futurity Winner, and also a great grandson of one of the greatest cow horse sires, LUCKY STAR MAC, he can float like a butterfly across the ground. Flame has done all aspects of ranch work. Whether it be gathering cattle, roping, running barrels, or even pulling the sled in the snow for the kids, he can do it

all. Load him up and go hunting and shoot right from the saddle or take him on a relaxing trail ride with no worries. He is willing to please and a true teammate regardless of the job. Flame is easy to catch, load, haul, shoe, ride, and is suitable for anyone. He has been hauled all over the United States and is a seasoned vet to bright lights, loud crowds and music, cars, and tractors. He settles right in to any environment without any anxiety. Flame was born and raised in our family and has truly been a dream horse. We are excited and blessed to be able to offer such an outstanding gelding and he will be a great addition to anyone's herd. He has clean x-rays and will be selling with a Pre-Purchase Exam. Thank you for your consideration: Red Dirt Bison Co.- Mark and Callie Rogers @ 405-388-2422.
