**Description**

**SHOW IS SHINEY**

SHOW IS SHINEY is a 2016, 15.1 hand AQHA Palomino gelding. He is nicely bred horse with SMART CHIC OLENA and SHINING SPARK on the top side and BOGGIES FLASHY JAC on the bottom side. He was started in the reining arena where he spent his time with a couple different trainers and was lightly shown. With his amazing mind and awesome rideability, we feel he is going to fit into any program with ease. He rides English and Western and has three very smooth, very easy to ride gaits. He can ride slow and steady or you can very easily ask him to extend at each gait. With his gorgeous long flowing mane, four white socks, and perfect blaze, he will get you noticed where ever you take him. Not only is he easy on the eyes, he is also a pure joy

to take out and ride. He flew through our program and loves to go out of his way to please his person. No matter what level of rider you are, you will definitely get along with Koby. You can let him sit for day or weeks and get him out to ride and he will always be that same horse each and every time. He has been hauled to a lot of different places and he always settles in with ease. He walks right into the trailer and comes off calm and ready to go. Koby has been on lots of trail rides and will go anywhere that you ask him to go. He will go through water and over bridges and does not mind traffic at all. If riding bareback and bridleless is your desire, he will give you a relaxed, fun ride each and every time. If you are looking to compete in the show ring, he will be the one that will catch the judges eye and can go into a variety of different directions and look awesome doing it. If you would like to learn more about Koby, please give Duane Yoder of Buckeye Acre Farm a call at 330-231-2324.
