Description

HOLLYWOOD HOTTIME

Well take a look at this absolutely beautiful and talented gelding right here! We have never had a horse like Hollywood and are proud to offer him to you. He's a one of a kind! Hollywood a 2014 model gelding that has done a little bit of everything from ranch, trail, and reining to being my personal performance horse this year. I will promise everywhere you go you're bound to get noticed. Hollywood stands 15 hands tall, weighs 1,150lbs and is as pretty colored as they come! He's been in the show pen performing at a high level and is even a NRHA money earner of 13,000 himself. Not only that he's also been with us to Colorado in the mountains trail riding and has been packed on. He's been pasture roped off of and pushed cattle around a lot. He is 100%

finished and ready for anything you throw at him. His training is done and he's a ton of fun. Hollywood is great in the barn and gets along good with other horses. He is good to shoe, clip, load, bathe etc.. He's 100% sound and healthy. He needs no maintenance or special shoeing. He's got great feet and good legs. We will stand behind Hollywood in every way and are confident anyone who gets to be the owner of Hollywood will love him as much as we do. He's extra special! On top of him being beautiful, safe, sound, finished, and willing to do anything for you I'm not sure what more you could ask for! Hollywood knows all the reining maneuvers and will do everything with style and class. He's been shown all over in open and non pro. He's even been to the Congress Freestyle reining and did great along with lots of other shows and other night shows in front of lots of people. He loves to show off! He has a big stop, great turn, perfect lead changes, circles with tons of class, and will do it all bridleless with ease. He is safe for all levels of riders from pro, non pro, or novice. He's very smart and will take care of a green rider and will show his top abilities with a pro rider. He's up for a Sunday afternoon trail ride over trees, mud, water, etc.. He's super smooth and very easy to ride. We can't fault him or know of anything bad to say about this amazingly beautiful boy! We love Hollywood! He is out of the all time great HOLLYWOODTINSELTOWN who goes back to HOLLYWOOD DUN IT. HOLLYWOODTINSELTOWN a 2 million dollar NRHA sire whom himself has \$185,000 NRHA earnings. Not only is his top side good, he is also great bred on the bottom side. He's out of NUTHIN CHIC, a \$10,000 money earner in reined cow horse. NUTHIN CHIC goes back to SMART CHIC OLENA who is a \$167,000 money earner in reining, cutting and reined cow horse. So Hollywood also has the right pedigree to back him up along with everything else about him!! Be sure to see Hollywood's video and call or text us with any other questions at 330-231-2311. Thank you!
