Description

DW EL HURRICAN

Ricky Bobby is a 5 year old gelding standing 14.3 with stout conformation. He sports a heavy hip, good muscle definition, and a keen head. This classy conformation paired with Ricky Bobby's unique coloring makes him the center of attention everywhere we go. He is as gentle and honest as they come and suitable for any level of rider with his sweet disposition. Fancy broke, soft in the face, uses himself well, and will watch a cow. Ricky Bobby has been used extensively on the ranch and is my go to horse, capable of any job. He has been used to brand calves, doctor yearlings in the feedlot, and sort pairs. He is perfect to take to the mountains for a trail ride as he is comfortable to ride and an easy traveler. He rides away from the other horses like a

gentleman, crosses water, bogs, rocks, bush, and timber with ease. He has been hauled to breakaway ropings and will make you a winner! He is solid in the box, scores sharp, has a lot of run, and stops extremely hard. He has also been heeled on and works nice. Ricky Bobby loves attention and will meet you at the gate every time. He is just as gentle on the ground as he is to ride. Great to shoe, load, bath, clip, stand tied, etc. He exhibits basic manners in every thing that is asked of him and has been a pleasure to own.
