Description

LW DOC PENNY 15

Here is a gelding that will stop you dead in your tracks, gorgeous and brown from every angle you look at! With a big hip, strong hind leg, and eyes that reflect his kind spirit. M&M is a classy and stylish mover with presence in and out of the arena. This gelding has been nothing but a joy and pleasure to own. This horse meets you at the gate everyday and will be your biggest fan. He has been used on our ranch to do all aspects of ranch work from doctoring yearlings, branding calves, sorting pairs, and gathering strays. M&M has seen all kinds of country and knows where to put his feet. If you came to buy a rope horse, then you are in luck. This is a finished head horse that is ready to take you to the pay window. He has been hauled and won on and is the Real Deal! Scores flat footed, runs hard to cattle, rates the steer with a sweet move on the corner, and finishes with a snappy face. A hassle-free gelding who has a great neck

rein, moves off your leg, stays soft and supple, and finishes with a good stop. We've rode M&M everywhere on our ranch as well as in the mountains. He crosses obstacles and water without hesitation, and is a delight to go take a leisure ride on. He has impeccable ground habits, saddles up gentle, bridles with ease, is a day off for the farrier, and hops in the trailer ready and willing. Whether your discipline demands a supreme athlete or just a well broke gelding, M&M is certain to fill your void. He has been a family favorite for us and we are certain he will be for you as well. We would love to visit with you about this exceptional gelding, call us at 780-515-0715.
