Description

PENNY

Penny is a true buckskin Molly mule that is absolutely gorgeous. She is 9 yrs old and stands 14.2 hands tall. Penny has been rode into the backcountry on both hunting and fishing trips. She is great wherever you put her, she will lead the way or put her in the rear she doesn't care. We have used her as a pack mule and she does great. This little mule is a head turner and will make an awesome arena mule.
