**Description**

**One Smart Lil J**

Take a look at this cute boy!

Meet Johnny a 2016 Buckskin AQHA Gelding that stands 14 hands tall and is as trained and safe as they come! Johnny is a fancy colored, great sized, and super well trained and well minded gelding that can fit every kid in the family or any level of rider. He is registered with AQHA and NRHA. We have had him through our program, and he's done it all in flying colors. From trail riding to Cowboy Mounted Shooting to roping to working on the ranch to showing in Ranch Riding and some small Reining shows as well, so to say he's done it all, he has!! This fella is 100% safe and sound, we have not had any soundness or health issues with Johnny. He is good to shoe, bathe, clip, loads and hauls perfect. He stands tied good. Johnny will ride away from the barn all my himself with no other horses around and

remain quiet calm and collected. Johnny can sit in the stall for a week and come out to ride off exactly the same as if he was ridden daily. We have even ridden Johnny bridless with no trouble at all! He is great in the pasture with other horses and always the first one to meet you at the gate. Johnny has a great personality, A very smooth walk trot and canter, and always a willing attitude. Be sure to check out his video, he speaks for himself or give us a call anytime at 330-231-2311. If you're looking for that all around beautiful gelding that will do it all, check him out! We are confident in Johnny and even selling him with a 30 day guarantee!!! Feel free to come visit him at our stables in Jackson Ohio. Thank you.
