Description

GRAY GOOSE CAT

Goose is the coolest looking dapple gray! He has a big mane and a tail to die for. He also packs 2 white hind stockings and a big bald face. He stands ideally at 14.3 hands. He's fancy y'all! He will turn around, ride, and slide! We have hauled Goose on both ends! He's really a neat horse. He's the perfect size for a World Series head horse! Goose scores, runs hard, rates, has a fancy move and finishes so fast! On the heel side

he hunts the corner and drags his butt! Not only is he a cool rope horse but is really fun to ranch on. He knows how to put in a hard days work and makes it enjoyable. He's great to drag calves on or sort pairs! He's been on big ranches in Texas and New Mexico. He crosses water and logs with no problem. He has been rode in the mountains and in the sand country. He does expectational at both! We have doctored wheat pasture cattle on Goose. He is great trail horse to enjoy by yourself or with a group of friends. We think he would excel as a ranch versatility horse as well. There isn't much that he can't or won't do! Goose is an own son of Shorty's Grey Goose. Who is sired by Quejanaisalena. Quejanaisalena has won \$329,570.65 in the NCHA! We want to invite you to come to our home in Congress, AZ to try Goose. We also welcome pre purchase exams. Please call for more information! 940-268-6850
