Description

DB FANCYINHOLLYWOOD

Tag is as sweet as your favorite candy bar. With that sharp brown color, standing 15.1 and weighing 1200lbs he is bound to turn heads wherever he goes! He is as versatile and well rounded as any gelding around. As a great grandson of Nu Chex To Cash he had no chance of not being both talented and good looking. Nu Chex To Cash's contributions to the reining industry can't be denied. Earning more than \$57,000 in NRHA Lifetime Earnings as well as NRHA World Championship in both the Intermediate and Open divisions. Tag is as honest as the day in long, and such a willing, kind and gentle individual. He is calm, cool, and collected. Pretty mover and is smooth enough for grandma. A deluxe ranch horse, Tag, is the one you want to saddle if you need to get the job done on the ranch. He knows all about a long days work. We

have used him to gather cattle in rough terrain, doctor yearlings, drag calves, and sort pairs. Take him straight from the pasture to the arena and back him in the box. Tag is super to rope on. Leaves the box flat and smooth, perfect rate and timing, sweet move in the corner and ready to face! He will suit any level of roper. You can rope and tie one down in the pasture and he will hold strong from the horn. Tag is always gentle and safe. He will give you the confidence you need if safety is your priority. He is great on the trails and will go where you point him. You can shoot a gun off him, drag a tarp, or ride along the interstate, and he won't mind. This handsome gelding will be enjoyable to own everyday. He is extremely easy to handle on the ground, will meet you at the gate to catch, saddles up gentle every time even without routine riding. We know once you meet Tag you will love him as much as we do! For more information or to come try him out before the sale please call Kale & Tatum Peterson @ 780-515-0715.
