Description

TIME UP PLEASE

Time Up Please affectionately known as Finn is a bay 2016 AQHA gelding standing at 15.0 hands. His sire is CFR Centenario Wimpy, by Wimpy's Little Step. CFR Centenario Wimpy has NRHA Lifetime Earnings of \$170,000. His dam is Angelina Melody, by Mr Melody Jac. Angelina Melody has NRHA Lifetime Earnings of approximately \$8,000 and an NRHA produce record of \$40,000. She and her oldest son, Stengel both have earned AQHA Register of Merit awards in Arena Performance. Stengel finished 3rd in the world in the NRHA Open 2016 year end standings. Stengel also earned a high point saddle as 2016 Florida and South Florida Open Reining Horse Champion. Time Up Please was bred by Tom Pierson and trained exclusively by Tom Pierson and Rachel Ory of Keystone Training at Mardanza Farms in Micanopy, FL. Finn is good in the barn, he

ties, loads, bathes and clips. His general riding foundation includes basic dressage and reining training, giving him balanced movement and great ease of handling. Finn has been used as a ranch horse around the farm to move cattle, start colts, pony horses, and as a lesson horse. He has never had a pair of sliders put on, but he can stop, spin and change leads like a reining horse. Finn has been shown successfully in Ranch Riding, Working Equitation and Western Dressage. He has earned 9.5 AQHA points in Ranch Riding. He rides equally well in a snaffle or a curb bit with split or romal reins depending on the job at hand. Finn has a well rounded foundation with lots of good experience and is ready for any job you'd like to use him for. Contact trainer Rachel Ory at 231-758-2856 or racheleighory@gmail.com.
