Color Palomino

Description

SANTA GOT SMART

Remington is the most kindhearted, good minded, and athletic horse that I have ever had a chance to own or ride. He stands 15.1 hands, with that golden palomino color, and a snow-white mane that hangs down below his neck and a forelock that is to die for! He has an extensive show record. He is an NRCHA, and NRHA money earner, and

has over 21 AQHA points. In 2020 he was the number three AQHA High Point Senior Ranch Riding Level 2 Open horse. In 2021, he was the High Point Horse at the Kentucky 4-H State Fair, winning the Championship in Ranch Riding and Horsemanship. He has earned both an Open and Youth Performance ROM. He has AQHA points in Ranch Riding, Boxing, Reining, Horsemanship, and Youth Performance Events. He is sired by a great son of Shining Spark, Smart Shiner. Smart Shiner is the earner of \$51,008 and 52 AQHA points. He is the Sire of 80 money-earners with earnings in excess of \$1,064,835 and earners of 3,735 AQHA Points. His Dam, DOC SANTA BELLE, was a finalist in the NRHA Futurity. She has produced 9 money earners in her own right. Remington can plus all the Reining maneuvers and is absolutely a pleasure to ride. He can cut a cow good enough to go to the sortings and be competitive at any level. He is also a finished Heel horse. He doesn't get rattled or spooked easily. We have ridden him miles and miles through the woods, with all kinds of wildlife around him, and I have never put him in a situation that he refused anything. He is absolutely a once in a lifetime horse, with the ability to take the most non experienced rider and make a cowboy or cowgirl out of them! Please call Scott @ (229)-891-4454 for more information.
