Phone (330)-231-2324

Location OH

Color Sorrel

Description

SMART ZOOMIN TARI

One of the sweetest and smoothest horses ever! Meet Boone, a 2013, AQHA, sorrel, 15.2 hand gelding. His pedigree goes back to the AQHA hall of famer, Doc Bar, on the top side and Smart Little Lena on the bottom side. Both these horses have made their mark in the cutting world and have produced some outstanding offspring to boot. Boone is just one cool dude and is actually our 6 year old son's favorite horse. He has all the training as a reining horse, spent a lot of time on a ranch working cattle and absolutely loves any job that you give him. He slid right into our program and did not bat an eye at anything that we put him through. He loves to learn and he loves to go above and beyond to please you. He is soft in the face and easy to ride, no matter what level of riding you are at. He has spent a countless amount of time out on the trail!

Boone will happily walk right off the farm, hop into any trailer, or go with a group and be happy no matter where you ride him in the line up. He is a solid minded horse that will help anyone gain confidence. You can throw a rope off him, you can go into a ranch riding class, or you can have the safest horse in the barn and trust that you will have an incredible ride on him whenever you sit on his back. He has been ridden English, Western, and goes nicely bareback and bridleless. We have taken him through water, over bridges, and he is quiet on the road in traffic. He is a horse that you can feel great letting anyone of any level get on his back and know that he will take care of them. He does not have any bad habits out in the pasture or in the barn. He stands like a gentleman to be groomed and tacked and is great for the farrier and the vet. He is a lot of fun on the trail as you will always have the same energy at the end of your ride as you did at the beginning. You will enjoy his three, smooth, easy to sit gaits wherever you go too. If this handsome fella is what you have been looking for then please give Duane Yoder of Buckeye Acre Farm a call @ 330-231-2324.
