Description

OKIE FRECKLES CASH

Baby Huey is a deep bodied 5 yr old that has the mentality of one twice his age. Huey stands right at 15 hands and he weighs a full 1200 lbs. This horse is ate up with three things: shape, versatility, and personality! We have asked Huey to do everything under the sun and he never disappoints! His career has been in the feed yard, as well as out doctoring cattle on wheat, and he's spent time with a reining trainer for some fancier training. Huey has a deep stop, fun correct spins, a super easy lead departure, and he is wine glass smooth. He naturally has a low head set and stays soft everywhere he should. He has effortless flying lead changes. Huey can also work a cow on a loose rein. He has a lot of heart and there really is nothing he can not do and do it well! This is a well-rounded, incredibly broke individual. Huey is always the first one to meet you at the gate no matter how hard you've been using him. He's also the one our little ones

fight over. They are 4 and 6 and anytime we go anywhere one of them is on him. Huey is the caliber of horse you could take and show, plus take sorting, pony colts on, use for all of your ranch chores, and at the end of the day still put your babies on. He has perfect ground manners, even the smallest of children can drag Huey around the yard, brush him, and even help saddle and wash. He is completely safe, gentle, and kind in every way shape and form. He will not get fresh with time off and no matter what you ask him to do, Huey will absolutely try it for you whole heartedly! Our family has cherished this horse for the last 4 years. Anywhere we take him he is a show stopper. He truly is the whole package, looks, talent, pedigree, training, and gentle to boot! We are extremely excited to offer our very first home raised horse to the public. We bought Huey off the breeder and close family friend when he was a yearling. He's by Okies Fullback, who by Miss n Okie (LTE 4,846) by Miss N Cash who earned over \$124,661 and has sired \$4.6 million in earners! We have ridden many full and half brothers to Huey all by Okies Fullback. These horses all have impeccable minds, gobs of talent, and looks to burn! We would love for you to come test ride him before the sale. If you have any questions please call Cheyenne 806-282-7093 or Levi 785-531-2353.
