Description

TURNERS MATT DILLON

Mr. Charming and lover of all, is "Casanova" he will win your heart over in a matter of 1 carrot! He is an iridescent buckskin inside and out. Standing at a perfect 15 Hands this 2017 gelding is registered with the International Draft and Sport Horse association. A very unique cross Casanova is by a Friesian sire and a Spanish purebred dam. He has such a kind demeanor, full of talent, trainability, and cow. Solid broke to ride, with a neck rein or indirect rein, moves off leg pressure and rides in the bridle. Soft and supple, yet forgiving and enjoyable. Western, English, Dressage, Casanova is an

absolutely beautiful mover. Ever so smooth, he knows his leads, has an awesome lead change, and can spin a hole in the ground! Trained to lie down and slide over to a block or fence makes him easy mount. A really solid and fun trail mount, whether it be gunfire, game jumping out of the bushes or dirt bikes zooming by it doesn't faze him. Casanova keeps his head down and carries on to any task at hand. Chaos and out of the normal day to day activities do not startle or bother him. Very sure footed when ridden in rough terrain, better than some navigation systems it seems you never have to pick up on the bridle reins. Would be a fabulous dressage mount and has a lot of the 1st level dressage cues. Casanova enjoys gathering cattle and moving them from place to place. Has a passion for people and attention, he will close his eyes and take a siesta while you brush him and looks forward to meeting anyone new, which we love. Truly a unique buckskin gelding with a heart twice the size of himself as well as a passing November vet check with a clean set of radiographs. We would love to schedule a time for you to come try Casanova for yourself, please give us a call at 406-381-2347. A one-of-a-kind lifetime gelding, you'll not find another like Casanova!
