Description

CAPTAINS CAT

OWN DAUGHTER of Bet Hesa Cat of the 6666s Ranch with an LTE \$272,151. (BET HESA CAT is the Only NCHA World Champion Stallion whose dam is also an NCHA World Champion!) Head/Heel/Breakaway/Barrels - Judy is beauty and grace. This is the one everyone wants. Looks, brains, AND TALENT. She oozes class. This mare is outstanding in every way. She is built correct with big bone. She is the perfect size to do all the events. She is extremely calm in her demeanor and would even be safe for a beginner. She is fancy broke with all the buttons. She was started slow and correct. She is currently enrolled in the RUBY BUCKLE breakaway. She is a SHOW STOPPER for sure! Judy is very FLASHY. You won't find one with a better mind on her. She is as SAFE as one can be. I could go on all day about how well-mannered she is. Judy is rock solid in the box every time. We rope on her in a little dog bone snaffle. Extremely easy in the field. She is broke to death and has all the fancy buttons. She cruises around everywhere with her Sunday stroll. She scores like a shot dog, but this girl can GET IT. She has plenty of speed in every event. She can be a big-time horse in all 4 events

without a doubt. We've let young girls rope on her and run the barrels as well as stepped her up to be an open horse. I can't say enough good things about big booty Judy. She does not have one single vice or flaw. Clean legs, easy to catch, hauls great, easy to shoe, easy keeper, the list goes on. Call (512)-718-0102 - Whitney - for more information.
