Description

ICE ICE LADY

We are very excited and honored to be selected to consign this gorgeous 2017 Red Dun mare, Ice Ice Lady, at the first Premier Horse Sale in Ocala, Florida! If you are looking for a truly versatile mare, look no further! Lucy bears the stamp of her sire, the great SG Frozen Enterprize! Her resemblance is undeniable! He is the winner of over \$274,083 in NRHA earnings and has already produced over \$828,825 with his first few foal crops to show! Her dam is the perfect outcross of cowhorse breeding, pleasure, and speed! At 15.2 hands, this mare is quiet and gentle enough for the recreational rider but hearty and sturdy enough to do an honest days work inside the arena or out on the ranch. She is a big bodied mare with a lot of bone and good healthy feet. Lucy is extremely smooth at all three gaits, with the ability to extend each gait with ease. You can ride her on a big draped rein or you can collect her up and put her right in your hand! She has been hauled extensively to various environments and settles right in at the horse show, trail rides, or just quick trips to visit with fellow horsemen. While the

majority of her training has been geared primarily towards reining, she has been exposed to ranch trail , ranch riding, ranch roping, and cattle. She has a great neck rein, effortless lead changes, yields very well to leg pressure and has a nice smooth sliding stop! This mare loves to learn! Lucy has very good ground manners. She absolutely loves being rubbed under her jaw and between her back legs! Lucy hobbles, clips, leads, loads, ties, bathes, and stands for the farrier and equine dentist. She is sound with no vices. She does have a small cosmetic scar just above her ankle on her back right leg. If you have any questions or would like to schedule a time to come see Lucy at our farm in Salesville, Ohio please feel free to contact Nick or Jaime Nelson @ 740-255-0715.
