**Description**

**Play on Ice**

Ruby is an outstanding mare. If you are looking for a heel horse/breakaway horse prospect she is the one for you. Coming from a reining background has made this mare soft and easy to ride. She's quick footed, light in your hands, athletic and ready to go to work. Her laid back personality makes her easy to be around. She is easy to load, bath, shoe, stands tied without issue and is an easy keeper with no special maintenance required. Ruby has never taken a lame step and is also good to ride outside of the arena. Being a granddaughter of the great, Metallic Cat, means this mare will also be a great addition to

someone's breeding program. If you have any questions about this great mare, give us a call at 307-714-0054
