Levi

Go ahead and pinch yourself you're not dreaming. Levi is the real deal. He's the once in a lifetime horse that will make all your dreams come true. Levi is a 16.2 dapple grey Percheron QH cross. He is breathtakingly gorgeous and has the talent and ability to do anything your heart desires. With his sweet, kind and quiet disposition Levi really is the man of your dreams. He will certainly get you noticed and will be one of the fanciest horses anywhere you go. He loves attention, meets you at the gate and loves spending time with his person. Rides western and English, or leave the tack at home, this guy is a perfect gentleman bareback and bridleless as well. He always takes care of his rider and is very forgiving. Highly intelligent, loves to learn. Quiet around dogs, cats, chickens, roosters, cars, trucks, tractors, bicycles, you name it Levi's seen it. He crosses logs, streams, ditches with ease. He will ride off alone without a fuss or in a group and will lead or follow. He's not barn sour or buddy sour. Excellent for vet and farrier. Loads ties bathes clips like a dream. He's the perfect combination of beer drinking trail horse meets highly skilled competition horse that will put you in the ribbons every time. He's jumped 3'

and has potential for higher. Don't let his size fool you he has a beautiful floaty trot and exceptionally elegant movements. He's agile and willing. Always soft and responsive. As an added bonus he also drives! He's perfect in a team hitch and is starting to drive single. He's a barn favorite and everyone's first choice for a mount. He can work every day or sit for a month and he's still the same sweet willing horse every time. He puts his whole heart into everything he does. We truly believe he will excel in any discipline.
