**Description**

Rafter F Cleo

Cleo is a gorgeous 11 year old 15 and a half hand gray molly with a sweet personality to compliment her good looks. She is super friendly, loves people and is always easy to catch. Trail is Cleo's specialty and she has been trail rode and ridden on cattle in Montana, hunted on in the Salmon River country of Idaho and the Deschutes River Canyon of Oregon and trail rode in the canyon country of northern Arizona. Cleo has been hauled quite a bit and will load and haul without issues. She is good and gentle

for the farrier and for clipping and bathing. Cleo is willing and trainable and is always game for new adventures. She has ponied pack mules and been ridden out alone and with groups. She is a big stout molly, capable of carrying a big rider. Cleo is good around dogs and will cross water, bridges, down trees and rocky terrain carefully and safely. She is registered ADMS and is out of a quarterhorse mare and a mammoth jack. If you want to travel safely down the trail and look good doing it, Cleo is the mule for you. She is up to date on vaccinations and dental care and has had regular hoof care and deworming. She is available for you to try out before sale time at our ranch in Oregon and also at Mule Days the week before the sale. Call Pam or Matt for more information or to make an appointment to come meet Cleo. 541 280-5077 or email [fourniertraining@gmail.com](mailto:fourniertraining@gmail.com)
