Description

Honest Abe Lincoln

This is a mule that will be hard to find again. A 7-year-old, true BLUE roan, 16.1 hands, 1100-pound john mule with excellent confirmation, size and ability, topping it off with a gentle easy-going disposition. His incredible looks come second only to his willingness and loveable personality. He is a quiet and friendly mule with an enjoyable personality. Abe has it all! His standout feature is his natural low head and neck set along with free easy movement. He would be an excellent western pleasure prospect as well as an all-around mule for anyone to own. Abe is well trained, and it shows in the arena, on the trail or riding through town. He has been used as a pack mule and has led a pack string. Abe will rope, handle and work a cow. He has been used to start colts, lead a pack string, running trap lines and really enjoys a trail ride. Abe lays down on cue, side-passes up to anything you need for an easy on and off. Abe has been specifically chosen for this select sale. He will cross water, downfall, bridges, drag logs, you can stand on him, carry a flag, bath, clip, shoe, trailer, hobble, catch, lead and anything else you can dream up. Every mule from Petersen Mule Company comes with

the option of a free 3-day clinic at our facility, to ensure a smooth transition to the new owner. As shown in all our videos, each of our mules have ridden in every kind of country possible, experienced various obstacles and are desensitized and exposed to a wild array of situations including our two very rambunctious dogs. Our mules have each been there and done that. We invite you to visit us and ride before the sale. Reach out with any questions or to schedule riding time. Call or Text Shawn Petersen @ 208-221-5544; Nellie Petersen @ 406-560-6301. Via email at petersenmulecompany@gmail.com. Honest Abe has a set of basic x-rays on file.
