Description

Lil Miss Sunshine

Looking for a ray of Sunshine? Here she is! Sunny stands 14 hands and weighs 820 pounds. At 10 years old she is the perfect age to start a new adventure with you! In 2018, Lil Miss Sunshine, won the halter class at Shelbyville. Awarded for excellent conformation, bone, head size and overall appearance for the mule breed. Sunshine shows real talent in arena work. Walk, trot, lope, reining, a beautiful stop, as well as riding correct, collected, and soft. Sunny rides on a loose rein, neck reins, moves off your leg, stops and backs off your seat. She operates off light cues, with a level headset, enormous amount of ability and willingness to please. Sunshine will carry a pack or lead a pack string. She has confidence and enjoys being around people. She excels using her talent to work a cow, ride a trail, show in the arena or ride across rough country. Sunshine will lay down on cue, side-step to pick you up from a block, stump or gate and is safe and reliable. Every mule from Petersen Mule Company comes with the option of a free 3-day clinic at our facility, to ensure a smooth transition to the new owner. As shown, in our videos, each of our mules have ridden in every kind of

country possible, experienced various obstacles and are desensitized and exposed to a wild array of situations including our two very rambunctious dogs. Our mules have each been there and done that. Lil Miss Sunshine has been carefully chosen for this select sale. She will cross water, downfall, bridges, drag logs, you can stand on her, carry a flag, bath, clip, shoe, trailer, hobble, catch, lead and anything else you can dream up. We invite you to visit us and ride before the sale. Reach out with any questions or to schedule a riding time. Call or Text Shawn Petersen @ 208-221-5544; Nellie Petersen @ 406-560-6301.
