Description

Sundance

This is Sundance, she is a beautiful sorrel molly mule with a white mane and tail. She is 4 years old and has a willing amazing temperament. She is right at 15 hands and is really stout built that comes in handy on rough trails. She is good to haul to new places and loads in any trailer with ease. Out on the trail, she is laid back but still has a nice ground covering walk that will keep up with others. She stays confident out by herself or leading a group of riders. Sundance isn't scared of anything on the trails or out on busy roads in traffic. She crosses bridges, water, logs and goes up and down hills very steady for a comfortable ride. She lopes smooth circles in the arena or out in the open. Sundance knows her leads and moves off of leg pressure. We have also used her to push cows from pasture to pasture and she loves doing it. Sundance has great ground and barn manners, she will catch you out in the pasture. She is great for the vet, farrier, bathing, fly spray and for grooming. If she sounds like a fit for you, please give us a call at 330-439-3285 or email leon.raber5779@gmail.com
