She was bred and raised in Montana by Rick and Tara Price at Rockin R Lazy T Ranch. Her mom is, AQHA - Miss Blue Social, a blue roan Zippo Pine Bars and Vellho Joe, bred really nice riding mare. Peekaboo's dad is 15.1h, West Dun, a nice gray dun jack. Peekaboo was born quiet, kind, brave, friendly and that has never changed. She really does love people. Since birth she will leave the herd to

come over and say hello to humans. This nice girl rides very smooth in all gaits and rides with the best of them!! She has a slow walk, fast walk, jog trot and extended trot. Peekaboo has a very nice lope too. She will lope big circles and small circles, picks up her leads easily, backs, side passes, and will travel laterally at a walk or trot. Peekaboo collects up and rides in the bridle. You can move her back end or front end around either direction. Peekaboo is good with her feet, deworms easily, takes shots well, clips, loads and saddles nice and quiet. She also lays down on command. Coggins, deworming and vaccinations are all current. Squeak Barsalou, Salmon, ID (208)940-1000 has owned Peekaboo for 3 years ago. Peekaboo has spent the last 11 months in training with Tim Cross, T Cross Farm, Saint James, MO (573) 263-2265. Feel free to contact either or both anytime. Bryce Canyon Mule Days was started to raise money for their Cancer Fund after losing Clint Mecham to cancer. Squeak Barsalou and Tim and Sheila Cross, like almost all of us, have lost loved ones to cancer. After meeting at BCMD and Chrome in the Canyon last year Squeak approached Tim with the idea of sending her young mule to Missouri for Tim to train for 11 months and nominate Peekaboo for the Chrome in the Canyon Premier Mule Sale with the proceeds from this great mule going to the Bryce Canyon Mule Days Cancer Fund. Check with your Tax Man, but you could get a wonderful, exceptional mule and a tax deduction to go with her!
