Location TX

Description

Geraldine

Wild Bunch Mule Co would like to introduce you to our nice mule, Geraldine. Geraldine is a superb specimen of a mule. She is out of a dun mare and a black jack. She has that great dun color and a great personality to go with it. She is 15 years old. She stands a 1/4 inch over 15.0 hands. She weighs approximately 1289 lbs. She is gentle as can be. She has that gorgeous kind eye. She is good to catch, halter, bridle, saddle, clip, bath, load and haul. She is great in the herd and sweet to other animals. She is an easy keeper. She has had 3 owners before us. She was trained as a 3 yr. old and has been riding ever since. She has no buck, bite or kick issues. She is well trained in the bridle. She walks, trots and lopes upon cues. Her lope is so nice and like you are floating on the clouds. She is good at obstacles and willing to cross all types of terrain. She is sure-footed and solid. She can also complete a really nice reining pattern. She is show quality even though she has never actually been shown. We have also used her here on the ranch for various tasks. She has had her teeth floated and will be current on her

Coggins test, vaccinations, worming and will have a fresh set of shoes at the sale. We know she will make her new owners as happy as she has made our family. Please feel free to come to our ranch in Linden, Texas to try Geraldine or at Bryce Canyon before the sale. You can buy with confidence from our family. We have been in the equine industry for many years. We have been training and selling mules and horses for over 30 years. We want to help you buy your first mule or your next mule. She is the real deal! Please feel free to call and ask anything you would like to know about Geraldine. For more info, pictures or videos, contact Mark or Jennifer Bailey of Wild Bunch Mule Co at 501-213-8594.
