Description

Cockel Bur

Cockel Bur is an 8 year old brown molly mule. She stands 15.3 hands and weighs 1150 pounds. She is really good with her ears and feet. You can ride or pack on this molly mule. Cockel Bur can be ridden with a very loose rein. She has a nice walk, trot and lope. Cockel Bur moves very elegant and smooth. She responds to leg pressure. Cockel Bur rolls back off the fence and does flying lead changes. This mule is very kind and loves attention. When you ride in the mountains logs, brush, water and bridges do not bother her. Cockel Bur goes in steep rocky terrain. She is careful and very reliable. You always feel safe and comfortable riding Cockel Bur. She is a big beautiful molly mule. She could be shown in western pleasure very easy. She is hobble broke. You can shoot a gun off of her. She is easy to catch, clip, bathe, haul and shoe. Cockel Bur is good around 4 wheelers, side by sides, good with dogs and is traffic safe. Don't overlook this

pretty mule. Come see Cockel Bur. For more information, contact Mark Garrison at (541) 787-0970 or Mike Ralph at (541) 660-4481.
