Description

Grace

Grace is an 11 year old sorrel molly mule. She stands 14.2 hands and weighs 975 pounds. Grace is a very quiet mule. She loves her ears scratched. She is hobble broke. You can ride or pack Grace. She can be in the lead, middle or behind other mules. She doesn't care what position you put her in while riding or packing. She will go all day. Grace crosses bridges, water, down trees or anything you may encounter out there. She walks, trots and canters and has a nice back up. Grace will meet you at the gate. She is easy to catch. She opens and closes gates with ease. She is fine out in a pasture or in the barn and Grace is an easy keeper. Shoot a gun off Grace with no problem. You

can pick up all 4 feet easily. She loves anything that has to do with you giving her attention. She is a sweet mule and aims to please. Don't miss this nice molly mule. For more information, please contact Mark Garrison at (541) 787-0970 or Mike Ralph at (541) 660-4481.
