Half Pint

Half (1/2) Pint is a beautiful 13 yr. old bay molly mule. She stands at 13 hands, but do not let her size fool you, she is the perfect size for the youngsters to crawl up or the elders to step up on. My dad is well into his 80's and Half Pint has been his personal trail riding mule for the last 6 years. He has hauled and ridden her from the mountains of Colorado crossing rivers neck deep, in parades in the biggest cities in Texas, to down in the traffic and wagons at the chuckwagon races in Arkansas. This will be his last ride here at Bryce Canyon as he has decided it is time to retire and let someone else enjoy his fabulous ride. That being said, this molly sells with her saddle, pad, britchen, bridle, everything one would need to just jump on and go. Half Pint loves attention and will meet you at the gate. You can keep her in a one strand hot wire, ground tied or hobbled, or line tied with no worries. She has nice smooth traveling gate and is happy to lead the pack or follow behind and is 100% sound. She will stand quietly to be clipped, bathed, trimmed, and for the vet or farrier. She will load with ease and travel down the road with no bad habits or vices. Please direct any and all inquiries to

Tommie Rogers at 405-570-2281, and we encourage you to come check out Half Pint!  
Thank you for your interest.
