Description

Sunrise Clementine

SUNRISE CLEMENTINE is a beautiful 7 year old registered Molly Mule. She is out of a stocky quarter horse mare and a mammoth Jack. Clementine takes after her mother in that she is just about as wide as she is tall!! At 14.1 hands, she is easy to get on but stout enough to handle a good size rider. Clementine neck reins well and is soft in the bridle. She is an excellent trail mule and gathers cattle as well. She is incredibly versatile, not afraid of anything and likes to go anywhere you point her. Clementine side passes and opens gates well. She will carry a flag and has been roping the dummy. Clementine has been rode/led all over the wilderness and packs game with ease. She has been in all kinds of terrain and handles herself very well. Clementine is very surefooted and picks her path with grace. She loves to play in the water and will walk

right through puddles, streams and rivers. Clementine even knows a few tricks; she can sit and lay down on cue!! Clementine is a patient mule that doesn't mind being tied up. She hobbles and highlines, rides in the trailer well. She can be stalled or turned out, she is great with other mules and horses. Clementine is a friendly mule and will walk right up to you in the field. She clips easily and is great with her feet. If you are looking for a nice, easy going mule don't pass Clementine up! For any questions about Clementine please call Shauna at 541-226-8994 or email sunriseperformancehorses.llc@gmail.com. Mules like her don't come up for sale very often, here is your opportunity to own an outstanding one.
