**Description**

LACE

Lace is a 2010 Molly mule that stands 15 hands tall. She has been used extensively on the steep mountains hunting and enjoying a weekend stay packing and riding. She is easy to cross water, bridges and fallen brush. She has been used with a team pulling a cart in town and out and about. Lace is put together nice and very athletic. She will go all day and is very sound. Don't miss this fantastic mule.
