IA PEPY CUSTOM CHROM

"Pepy" is a 2015 AQHA gelding standing 14.1 hh. He's cute as a bug and built to pull your house down. Pepy is cute headed with a big soft eye, stout built and all eye appeal you could ask for. Pepy knows what a day of work looks like, he has a ground eating stop, one hand turn around and lope's cute collected circles. He has all the goods to go any direction, and get you noticed in the process. Pepy has spent time in the roping pen on the heel side also breakaway and out in the pasture roping and tagging a million calves. This horse is safe, lay him off and saddle up-he's the same horse you left before. Good on the trail, through brush, over water, etc.

**Height:** 14.1
