Amigo

Amigo = Friendly, Honest, and Loyal! A big personality, with a unique physical characteristic, a split on his left ear. He is the kind of mule that makes you smile every time you look at him. He will be at your heels and ready to be caught the moment you walk into the pasture. He has all the ground manners of a perfect gentleman. This is a bonding type of mule, when you buy him, you are getting more than just a new mule you are gaining a new best friend. Amigo wants nothing more than to be by your side or under your seat. His preference is to hang with his people instead of his herd. He is always ready to roll on any new adventure with an over-the-top willingness to please. He is cool and collected and rolls with the adventure. Amigo has taken easily to an array of new experiences, like fresh elk hides, animal scent for trapping and the clanging of traps he has carried. Amigo is light and soft in the arena. He has all the moves and is willing to rope and pull a steer. All Petersen Mule Company mules are purchased with the option of a free three-day clinic at our facility to ensure a successful transition to their new rider. Each mule we bring to Chrome In The Canyon Premier Mule Sale has been screened and carefully chosen for this select sale. Each of

our mules have logged countless trail miles and arena hours. They are professionals in our obstacle course; they each lay down on cue. They have spent time pulling a pack string and have each been packed. They all cross water, downfall, bridges, drag logs, you can stand on their back, crack a whip, carry a flag, bath, clip, shoe, trailer, hobble, catch and lead. Our mules are all dog desensitized, Thanks to our hard-working employees Rosie the Red Heeler and Gretchen The Wild.
