Description

TILLY

If you are looking for a one of a kind pony here she is! And if you don't intend on buying a horse at the Salmon Select Horse Sale at least stop by and see Tilly. Tilly is every little cowboy and cowgirls dream wrapped into one cute package! She is unique in every way, size, color, shape, personality, etc. This mare is a fjord/pony cross making her a useable and hearty size for even a small adult. Wrapped in grullo roan color and feather footed, she is a true standout. Tilly has bone and substance, she is the perfect mountain or ranch pony. She has spent this last summer on the ranch and has enough stamina to make the big loops with the average sized horses. This last winter she was used by a youth as a demonstration horse for her moms lessons at their indoor riding facility. There isn't

another
like Tilly. She stands 12 hands and weighs 700lbs. Tilly will compete in the
trail course, ranch horse competition, and rope out of the boxes. For more
information please call 208-756-7341 or 208-993-1422. Find us on Facebook @
Heart X
Quarter Horses, LLC.
