### **Description**

Chantilly

Chantilly is a gorgeous Belgian Cross molly mule. She is 17 years old, stands 15.1 H tall, and weighs 1231 lbs. She is sweet, gentle, and very laid back. She has perfect ground manners and is definitely safe. If you have to get somewhere quick, you are gonna have to kick her to get her going. Chantilly would be a perfect fit for a rider that needs confidence. She makes no sudden moves. She is very willing to go the speed the rider wants. She will walk, trot and lope. She has been ridden and driven on trail rides a lot. She has been driven single, double and triple. She was part of a team a man owned in Alabama but the man passed and they got sold separately. She is used to riding in groups, but is willing to ride off by herself with just a little urging. She is a big, strong, beautiful gal. Her kindness spills right over into her eyes. Don't let her age bother you. She is very healthy and has another 10 years of riding in her, if you treat her right and feed her good. She is a very easy keeper. She is a sweet ol' gal that aims

to please. Wild Bunch Mule Co, Mark & Jennifer Bailey and the rest of their family are proud to bring her to this sale. Call and come to our place prior to the sale or ride her in Bryce Canyon before the sale. Feel free to test drive her. For more info, pics or videos, call and/or message Mark or Jennifer at 501-213-8594 or email: wildbunchhorseandmuleco@gmail.com.
